

CareLink Application Privacy Policy

Last Updated: December 24, 2025

1. Introduction

CareLink (“we,” “our,” or “us”) is committed to protecting the privacy and security of the personal data of our users. This Privacy Policy describes how we collect, use, disclose, and protect your information when you use the CareLink mobile and web application (the “Service”).

2. Applicability of Regulations

We operate globally, and our data practices are designed to comply with the highest standards of data protection, including:

- **For Users in the United States (USA):** We adhere to the **Health Insurance Portability and Accountability Act (HIPAA)** to the extent that we are a “Business Associate” or “Covered Entity” under the Act, particularly concerning the handling of Protected Health Information (PHI).
- **For Users in the European Union (EU) and Greece:** We comply with the **General Data Protection Regulation (GDPR)** (Regulation (EU) ²⁰¹⁶/₆₇₉), which grants you specific rights regarding your personal data.

3. Information We Collect

We collect several types of information for various purposes to provide and improve our Service to you.

A. Personal Data

This includes information that can be used to identify you, such as:

- **Identity Data:** Name, email address, phone number, login credentials (Email/Google/Apple).
- **Profile Data:** User role (Elderly, Family, Doctor, Charity).

B. Sensitive Health Data (PHI/Special Categories of Personal Data)

Due to the nature of the Service, we collect sensitive health-related information, which is treated with the utmost care:

- **Health Monitoring Data:** Daily check-in status, fall detection alerts, medication and appointment reminders, and data integrated from third-party services (e.g., Google Fit/Apple Health data like steps, sleep, heart rate).
- **Emergency Data:** SOS button activation logs, automatic alert details.

C. Location Data

- **GPS Location:** Shared during emergencies for safety monitoring. We only collect precise location data with your explicit consent.

4. How We Use Your Information

We use the collected data for the following purposes:

- To provide and maintain the Service, including core features and health monitoring.
- To notify family members or caregivers in case of an emergency.
- To manage your account and provide customer support.
- To monitor the usage of the Service and improve our UI/UX.
- To comply with legal obligations, including HIPAA and GDPR requirements.

5. Legal Basis for Processing (GDPR)

For users in the EU/Greece, we process your personal data based on the following legal grounds:

- **Consent:** For processing sensitive health data and location data (you can withdraw consent at any time).
- **Contract:** Processing necessary for the performance of the Service you have requested.
- **Legal Obligation:** Processing necessary to comply with a legal obligation (e.g., data retention laws).
- **Vital Interests:** Processing necessary to protect the vital interests of the data subject (e.g., in an emergency).

6. Data Security and Protection

We implement robust technical and organizational measures to protect your data from unauthorized access, alteration, disclosure, or destruction.

- **Encryption:** All sensitive data, including PHI and health data, is encrypted both in transit and at rest.
- **Access Control:** Access to sensitive data is strictly limited to authorized personnel and is logged and monitored.

7. Your Data Protection Rights (GDPR & USA)

Depending on your location, you have the following rights regarding your personal data:

Right	GDPR (EU/Greece)	HIPAA (USA)
Right to Access	Yes	Right to inspect and copy PHI
Right to Rectification	Yes	Right to request amendment of PHI
Right to Erasure	Yes (Right to be Forgotten)	Not explicitly covered, but data deletion is possible upon request
Right to Restrict Processing	Yes	Right to request restrictions on the use and disclosure of PHI
Right to Data Portability	Yes	Not explicitly covered
Right to Object	Yes	Not explicitly covered

To exercise any of these rights, please contact us using the details below.

8. Disclosure of Data

We may disclose your Personal Data in the good faith belief that such action is necessary to:

- Comply with a legal obligation (e.g., court order).
- Protect and defend the rights or property of CareLink.
- Protect the personal safety of users of the Service or the public (e.g., sharing GPS data with emergency services).

9. Changes to This Privacy Policy

We may update our Privacy Policy from time to time. We will notify you of any changes by posting the new Privacy Policy on this page and updating the “Last Updated” date.
